Shri Nityanand Swami

Swami Nityananda Maharaj transformed Ganeshpuri into a sacred spiritual centre through his divine teachings, compassion and service to humanity. His blessings and vision continue to inspire devotees and uplift countless lives.

How it all Began?

In the peaceful village of Ganeshpuri, a movement rooted in Love, Learning and Upliftment began quietly yet powerfully. Dream Education Centre, founded in 2014 by Mr. Gul Hinduja, a follower of Swami Nityanand, was built on a vision to educate and empower the underprivileged children in the area.

When Mr. Gul Hinduja looked around he saw a community full of potential but constrained by poverty. Many children had to work before and after school to support their families and some were so underprivileged, that they did not even have the opportunity to attend school. While Education is available in municipal schools, it was not sufficient or accessible to every student. These Children needed more than just textbooks they needed skills, guidance and a space to dream big.

With this mission in mind, Dream Education Centre was established to complement what was being taught in school. It offered students the opportunity to learn new skills as :

- English Speaking
- Computer Literacy
- Personality Development
- Music, Dance, Art & Craft and more

About Dream Education Centre

There are two kinds of education, one that teaches us how to make a living and another that teaches us. Guided by this philosophy, Mr Gul Hinduja, a follower of Bhagwan Nityanand established the Dream Education Centre in 2014 in Ganeshpuri, Vasai with a goal of serving the underprivileged section of the society. The Centre focuses especially on educating Young children. Here, children learn a variety of skills that complement their academic studies at local municipal schools, helping them grow holistically.
